Our uniquely designed sponsorship programme has helped put over \$1.6 million of resources into more than 500 rural schools in the last fifteen years.

It's very simple. Customers can nominate a participating school to receive 50 cents for every 100L of bulk fuel they have delivered.

Once a participating school reaches their \$1,000 target they can redeem from the variety of technology, sports, literature & music packages on offer. The more people involved and nominating a school the sooner they will be rewarded.
